FREMONT ROTARY BENEFIT TO ERADICATE MALARIA

The Rotary Club of Fremont invites you to a Fund Raiser at Fremont Studios on June 16th, from 5:30PM - 7:30PM

Fremont Studios 155 N.35th St, Seattle, WA

100% of your \$20 Tax Deductible Donation will pay for mosquito nets that will be donated to families in Zambia in efforts to eradicate Malaria in that region.

These mosquito nets have proven to be the most effective (and safe) way to fight Africa's #1 killer of children.

These nets are distributed by Rotarians and Community health workers in Zambia. PATH, a leading nonprofit global health organization, serves as technical lead. www.path.org

"More people have died from Malaria than any other disease in history." Scientific American

Please join us for live music, games, a movie preview and more information on the Rotary Partnership to Eradicate Malaria in Zambia.

* Admission:

Your \$20* Donation Includes

2 Tasty drinks (nonalcoholic beverages will also be available)

Delicious appetizers from Silence Hearts Nest & Tall Grass Bakery

...and You May Be Saving Lives.

* *This event accepts cash or checks only.* There is a cash machine on premises. *

Other Activities:

- A Power Point presentation on The Rotary Partnership to Eradicate Malaria in Zambia will be showing throughout the evening.
- Special Showing of Challenging Impossibility! ... an uplifting documentary on the courageous journey taken by spiritual luminary Sri Chinmoy at the close of his life. This TriBeCa Film Festival movie tells the story of how one man inspired himself and the world to discover that nothing is impossible.
